

Entrepreneurs' Programme

Are you ready to grow  
your business?

Growth Roadmap

When you join the Entrepreneurs' Programme, you get advice from someone who's walked in your shoes and understands what it takes to build and run a successful business.

Our unique and free services give you access to business experts that work with you to grow your business from where you are to where you want to be.

## Growth Roadmap

The Growth Roadmap service helps businesses who are looking to improve their business practices, become more competitive, and take advantage of growth opportunities.

You'll get a broad review of your business strategy and operations, a roadmap, and advice and guidance from a growth facilitator for up to one year.

You may also be able to access a matched Growth Grant of up to \$20,000 to action recommendations from your roadmap.

*The Growth Roadmap service is one of three growth services provided by the Entrepreneurs' Programme. You may also be eligible for High Growth Accelerator & SMART Projects and Supply Chains.*

## The Entrepreneurs' Programme difference

At the heart of the Entrepreneurs' Programme lies our network of facilitators. Our facilitators are local, independent business experts who will work directly with you to reshape and grow your business.

- is a company, incorporated in Australia, or, an incorporated trustee applying on behalf of a trust
- meets annual turnover or operating expenditure thresholds
- operates in an eligible business sector.

## What you will get

Your dedicated facilitator will work with you to help you achieve your business vision. They'll provide access to extensive networks, information, resources, strategies, and specialists unique to your business needs. They'll help you develop a roadmap to success.

They will also provide guidance on relevant funding and other assistance you may be eligible for.

*Our independent business experts will work with you on a roadmap to help you navigate the challenges and opportunities to achieve your business vision*
